

DD/SEC 244 -65

13 JAN 1965

**MEMORANDUM FOR:** Deputy Director for Intelligence  
Deputy Director for Science & Technology

**SUBJECT:** DCI Briefing of Senate Armed Services  
Committee and Defense Subcommittee  
of the Senate Appropriations Committee

1. I have made it a point to talk with several members of the Senate Armed Services Committee and of the Senate Defense Appropriations Subcommittee regarding the Director's briefing on 11 January 1965. I have also discussed the briefing with a number of the staff members who were present. Without exception, the persons I talked with were most complimentary in their remarks, both with respect to the content of the briefing and to the "back-up men" who assisted the Director. These comments are consistent with the high praise which this office frequently hears with regard to Agency personnel who have been associated with the Congress both here and abroad.

2. I wanted you to know that the work which your people did in the preparation and presentation of this briefing created a most favorable impression.
